

The Westchester County
Department of Emergency Services

TRAINING ANNOUNCEMENT

Issued: January 17, 2018

Announcement #: 18-26E

ICS for EMS

Understanding the concepts of the Incident Command System is an important factor for local responders who arrive first on-scene, and thus are more likely to implement the management system. Join Drew Fred EMT/CIC as he discusses the role of EMS within the ICS structure and the major responsibilities of EMS personnel. Other items to be discussed:

- EMS Operations
- Triage
- Treatment
- Transport
- EMS Staging
- EMS Communications

This course may be applied toward EMS Operations or General Elective CME hours under the NY State DOH EMS Continuing Education Recertification Program.
