Firefighter Burn Injury Awareness

This is a 3 hour County course being held on the following dates:

April 26 from 19:00 to 22:00 hours

Description: The course focuses on burn injury awareness for interior firefighters. The presentation will help firefighters understand signs of rollover and flashovers; learn the design and limitations of our PPE including the correct sizing and donning; and learn the proper care and maintenance of PPE to better support burn prevention. This course will also briefly discuss what types of burns are most typically found in firefighters, the different degrees of burn injuries, and how to properly care and treat these injuries. Case studies of injured firefighters will also be reviewed and discussed.

Target audience: Firefighters

Prerequisites: None

Registration: Pre-registration is mandatory. **WALK-INS ARE NOT PERMITTED.** To register go to <https://training.westchestergov.com/training/login.do>. Class size is limited to seventy (70) students.
