

# TRAINING ANNOUNCEMENT

13 April 2018

Announcement#: 18-99F

## **Fire Chiefs & Training Officers Operational Training**

**May 16<sup>th</sup>** from 19:00 to 22:00 hours

**Description:** This year's training will focus on real life operational items. Policy and Procedural information will be provided on the 60-Control Storm Dispatch Plan, updated information on the new radios system, and departmental radio discipline. Information will also be provided on the multiple capital construction projects that have either been completed, are in process, or are planned for the future of WCDES.

We are excited to announce many new training props available to enhance our training capabilities. A thorough review will be presented with descriptions of our new props, and the variety of training modules that can be done in each prop. Some updated information will also be offered on new training classes from NYS OFPC. Finally, we will provide an overview of the services that are available to you through WCDES and some of the legal aspects and responsibilities that you have as the chief officer.

*Even if you have attended the annual chief's seminar in the past, please do your best to attend this session, as we have re-formatted the program and will provide you will a lot of new and updated information.*
