TRAINING ANNOUNCEMENT

Issued: April 2, 2018

Announcement # 18-60E

EMS Operations & Trauma (ALS Core)

EMS Operations encompasses a wide range of topics from lifting patients to disaster/terrorism management, which can lead to traumatic injuries. In this course we will delve deeper into these areas to ensure every student has a better understanding of each topic. Join Guy Peifer, EMTP, CIC/RF for an in-depth exploration of EMS operations & Trauma, and guidance on the roles and responsibilities necessary to ensure patient, public, and personnel safety.

This course may be applied towards EMS Operations, Trauma, or General Elective CME hours under the NY State DOH EMS Continuing Education Recertification Program.
