

The Westchester County
Department of Emergency Services

TRAINING ANNOUNCEMENT

Issued: April 2, 2018

Announcement #: 18-78E

NYS IC/DHSES Intelligence Liaison Officer (EMS WEEK SERIES)

New York State (NYS) has approximately 100,000 Fire and EMS responders who cover over 2 million calls per year. The NYS Intelligence Center (NYSIC) and Division of Homeland Security and Emergency Services (DHSES) has developed a class to take advantage of this veritable “army” and help Fire/EMS become better aware of suspicious activities (potentially related to terrorism and other criminal behavior) and provide reports to the NYS Terrorism Tips Line.

Join Guy Singer, EMS-11, County EMS Zone Coordinator, as he assists in increasing your situational awareness, improve your crew’s personal safety and may prevent the next terrorist attack. Homeland Security begins with hometown security!

This course may be applied toward General Elective CME hours under the NY State DOH EMS Continuing Education Recertification Program.
