

TRAINING ANNOUNCEMENT

23 July 2018

Announcement#: 18-124F

Firefighter I with Survival

Course #1: Basic Exterior Firefighting Operations with Haz. Mat First Responder Ops:

August 27, September 10, 17, 19, 24, 26, October 1, 3, 10, 15, 17, 22, 24, 29, 30 from 19:00 to 22:00 hrs.

September 22, October 6, 27 from 09:00 to 16:00 hours

November 5, 7, 13, 14 from 18:30 to 22:30 hours

Course #2: SCBA/Interior Firefighting Operations:

November 19, 20, 26, 28, December 3, 5, 10, 12, 17, 19, January 2, 7, 9 from 19:00 to 22:00 hours

January 3 from 18:30 to 22:30 hours

January 5 from 08:00 to 17:00 hours

Firefighter Survival: TBD

Description: Course #1: Basic Exterior Firefighting Operations with HMFRO: This course prepares new firefighters to operate in the exterior or non-IDLH areas of the fire scene. Students participate in learning events covering firefighter personal protective equipment (PPE), self-contained breathing apparatus inspection and cylinder changing, fire department communications, building construction and fire behavior, modern fire control research, portable fire extinguishers, rope and knot tying, ground ladders, forcible entry, tactical ventilation theory, water supply, hose and fire streams, loss control, orientation to fire origin and cause determination, fire prevention and life safety initiatives, confined space awareness, overview of first aid and buddy care, and Hazardous Materials First Responder Operations.

Course Homework: Participants must have current Cardio Pulmonary Resuscitation (CPR) certification; complete the FEMA NIMS 700a and ICS-100.b on-line courses (see links below), and complete 9 home fire department skills in order to receive a BEFO completion certificate. Student must also complete each take home quiz as assigned.

<https://training.fema.gov/is/courseoverview.aspx?code=IS-100.b> AND <http://www.training.fema.gov/is/courseoverview.aspx?code=IS-700.a>

Course #2: SCBA/Interior Firefighting Operations: This course prepares new BEFO graduates to operate as Interior Structural firefighters or in IDLH areas of the fire scene. Students participate in learning events covering firefighter personal protective equipment (PPE), self-contained breathing apparatus donning, doffing and use, SCBA air management and SCBA emergencies, basic firefighter survival techniques, modern fire control methods, building fire search and victim removal techniques, firefighter survival skills, tactical ventilation techniques and basic power saw operation, forcible entry techniques, hose line advancement, vehicle and wildland firefighting theory, vehicle firefighting techniques, coordinated structure fire interior attack and transitional fire attack, and coordinated initial company operations.

Firefighter Survival: Based on Chief John Salka's "Get Out Alive" program, this program is designed for self-rescue and rescue of trapped firefighters. Course content will enable firefighters to recognize the types of events encountered on the fire ground that contribute to firefighter disorientation and/or entrapment, to have knowledge of what is necessary to ensure their safety and that of their partners or crew members, and perform self-rescue techniques when disoriented, separated, or when needing to exit a structure in an emergency. This course requires students to perform a number of practical evolutions with self-contained breathing apparatus (SCBA). This course includes the National Fire Academy Calling the Mayday.

Target audience: Entry-Level firefighter

Course Textbook: **IFSTA Essentials of Fire Fighting and Fire Department Operations 6th Edition.** Student's success relies on the student's completion of the assigned readings. (Electronic version of the book is available thru r1.ifsta.org)

Registration: Pre-registration is mandatory. **Walk-ins are not permitted.** To register go to <https://training.westchestergov.com/training/login.do>. Each student must present a NYS Training Authorization Letter to the instructor. Class size is limited to Twenty-five (25) students.

Venue: Westchester County DES Training Center, 4 Dana Rd. – Grasslands Campus, Valhalla, New York. All students are to park in the lot adjacent to the Support Services Building located at 35 Walker Road. (There is a stairway linking the parking lot directly to the training campus.) For questions or concerns regarding weather or course cancellation call (914) 231 – 1615.

Full PPE is required for Course #1 (SCBA required for units 2, 3 & 21)

Full PPE with SCBA with spare cylinder are required for Course #2

New York State Authorization form is MANDATORY for Admission to class
