

TRAINING ANNOUNCEMENT

26 November 2018

Announcement #: 18-172F

RADIOLOGICAL EMERGENCY PREPAREDNESS FOR FIRE & EMS

COUNTY COURSE

This is a 2 hour course being held on the following date:

December 5th from 19:00 to 21:00 hours

Description: Students attending this course will receive an overview of the Westchester County Radiological Emergency Response Plan for the Indian Point Nuclear Power Plant. Fire and EMS personnel will learn about the equipment available to first responders and how to protect themselves when responding to an emergency involving radioactive material. Two CME hours are awarded for completion of this course.

Topics include:

- Nuclear Power Plant Operations Overview
- Radiation Basics
- Emergency Planning Overview for Emergency Workers
- Emergency Worker Radiation Exposure Control

Target Audience: Emergency Services Personnel / First Responders.

Prerequisites: None.

Registration: Pre-registration is mandatory. **Walk-ins are not permitted.** To register go to <https://training.westchestergov.com/training/login.do>. Class size is limited to forty-eight (48) students.

Venue: Westchester County DES Training Center, 4 Dana Rd. – Grasslands Campus, Valhalla, New York. All students are to park in the lot adjacent to the [Support Services Building](#) located at 35 Walker Road. (There is a stairway linking the parking lot directly to the training campus.) For questions or concerns regarding weather or course cancellation call (914) 231 – 1615.
