Firefighter Survival Series: Self-Rescue - DAYTIME

This course is the 2020 updated version of previous NYS OFPC Firefighter Survival Course

This is a 12 course that meets on the following dates and times

August 17 & 19 from 09:00 to 15:00 hours

Description: This program is designed for firefighter self-rescue based on job performance requirements from NFPA 1407. Course content will enable firefighters to recognize the types of events encountered on the fire ground that contribute to firefighter disorientation and/or entrapment, to have knowledge of what is necessary to ensure their safety and that of their partners or crew members, and perform self-rescue techniques when disoriented, separated, or when needing to exit a structure in an emergency. This course requires students to perform several practical evolutions with self-contained breathing apparatus (SCBA) and includes vertical self-rescue skills utilized for egress from an elevation.

Target audience: Firefighters

Prerequisites: Firefighter I (or equivalent), SCBA medical clearance, and signed Training Authorization Letter.

Registration: Pre-registration is mandatory. **WALK-INS ARE NOT PERMITTED.** To register go to <https://training.westchestergov.com/training/login.do>. Each student must present a NYS Training Authorization Letter on the first day of class. Class size is limited to twelve (12) students.

Venue: Westchester County DES Training Center, 4 Dana Rd. – Grasslands Campus, Valhalla, New York. All students are to park in the lot adjacent to the [Support Services Building located at 35 Walker Road](#). (There is a stairway linking the parking lot directly to the training campus.) For questions or concerns regarding weather or course cancellation call (914) 231 – 1615.
